Travelling to and From School

Last week we had a report that a pupil was followed home from school. While no direct approach was made to the student, they did feel uncomfortable. It is always advisable to remind your children what to do in such cases and where possible to travel to and from school with a sibling or friend.

School Speeches

Our school speech finals were held yesterday and children spoke on a vast array of interesting and well researched topics. Well done to all of our finalists for ensuring it was a keenly contested event. Thank you to our judges Mrs White and Rhea and Alexis from our valued sponsor KPMG. Your ongoing support for our school is greatly appreciated. Congratulations to our place getters, your hard work has paid off.

Art Exhibition

Next Wednesday we will be holding our bi-annual student art exhibition for parents, family members and members of the wider school community. Student work will be on display from 3pm until 7pm in the school hall.

Students have worked hard throughout the term to produce a number of pieces for you to view. Please support them by coming to view their work.

Mid-Year Reports

These will be sent home with students on Friday 5th July. Please note that reports have not been produced for students who have an Individual Learning Plan in place. This plan provides detailed and up-to-date information on your child's progress at school.

3-Way Interviews are scheduled for August 6th and 7th. This will be an opportunity to discuss your child's progress to date and to establish goals for the remainder of the year.

WANTED

We would love some more toys for our aqua garden, McDonald toys would be great.

LOST JACKET

Zaria Stokes has lost her school jacket. It is named. Please check that your child has their correct one.

DESKS TO GIVE AWAY

We have some green student desks to give away, if you would like one, or some, please take them from our school hall by Tuesday 😊

*Room 8 were pretending to be Jackson Pollock artists by throwing paint at their art work. Lots of mess. Lots of fun.

GIRLS RUGBY

The U11's played a strong Temuka team, however they showed that they have improved immensely from the last time they played them, scoring tries and defending well.

Player's of the Day U11 Girls: Aroha Akurangi for strong running and Alexis Papps for fantastic resilience for returning to the field after getting hurt and showing great pace.

Special mention to Javahna Page for supporting from the side line whilst out with a knee injury and Lisita Finau for scoring a hat trick of 3 tries - Awesome work girls.

It was great to see the U13 girls have so much staff support this week on the sideline. This team is developing into a stronger unit each week and great to see the tries being shared amongst the team.

Next week Wednesday 3rd July is the final round. Games 7 minute halves. Teams have two games. All at Alpine Stadium, Church St.
